Indian culture is the heritage of social norms and technologies that originated in or are associated with the ethno-linguistically diverse India, pertaining to the Indian subcontinent until 1947 and the Republic of India post-1947. The term also applies beyond India to countries and cultures whose histories are strongly connected to India by immigration, colonisation, or influence, particularly in South Asia and Southeast Asia. India's languages, religions, dance, music, architecture, food, and customs differ from place to place within the country.

Karnataka is a state in southern India, known for its rich history, culture, and natural beauty. It is the sixth-largest state in India by area and the eighth-largest by population. The capital city, Bengaluru, is known as the “Silicon Valley of India” for its thriving IT industry.
